# THE SCOOTER THAT PAYS FOR ITSELF.

You save ₹30,000/year with the Ola S1 X.  
That means the S1 X pays itself off within three years.  
Really, it does. We double-checked the numbers.

So, still considering buying an ICE scooter?

\*The approximate total monthly cost considers EMI, maintenance & running cost calculated for the price of S1 X(2kWh). This is based on electricity and fuel prices in Bangalore as on August 2023 with a daily distance of 30kms.
